How do you write a newsletter about your wonderful performance as the speaker among your friends at the last local Chapter of the Son's of Utah Pioneers? You don't ! So lets look at the wonderful meeting we have in store for you this Thursday night.

Larry Stucki has done a magnificent job at arrainging a scholarship meeting for us. We will have the opportunity of hearing the wonderful recipients from the University of Utah, Westminster and Salt Lake Community College. They will be sharing their essays submitted for judging.

There are eight recipients in all and they will be bringing guests with them. They are listed below.

\$500 Scholarships

Julio Hernandez - Salt Lake Community College

Roman de los Santos - Salt Lake Community College

Talia Kerr - Westminster

Mazel Janette Jones - University of Utah

\$125 Scholarships

Giman Lee - University of Utah

Spencer A. Wallace - University of Utah

David Anthony Riskin - University of Utah
Richard Johnson - University of Utah

When each of the entrees were read it was difficult to separated out winners and eliminate any, so your board felt each should be honored. Hence the four \$125.00 scholars.

Mazel Jones, one of the recipients, in addition to her compelling story of conversion will favor us with a vocal solo.

Not wanting to take away from the compelling stories of conversions to the restored gospel of Jesus Christ, I encourage you to be with us and honor these wonderful young future leaders as they prepare themselves through the education process.

We are grateful to those who in the past have provided the resources through their contributions that we might honor these students with a little help along the way.

SEE YOU THERE!

William W. Tanner
