It is hard to believe another month has nearly come and gone and the time is quickly approaching when we will meet again to break bread and be edified together. Elizabeth and I have just returned from a fabulous trip to Israel, where we took in the beauty of that country and the places where Jesus walked, taught and gave His life that we might live. Our lives have truly been enriched.

Once again we shall have the opportunity of being edified and enriched at our next meeting. As you may have noted from our web page, which is so professionally done by Alonzo Cook, our program will be presented by Kent Lott and Susan Lofgren of the Pioneer Magazine. Quoting from the web page:

The Pioneer Magazine is published by the Sons of Utah Pioneers, with Kent V. Lott as Publisher and Susan Lofgren, Editor-In-Chief & Magazine Designer. They will visit our chapter and tell us "how it is done!" This magazine one of the finest there is, and it will be fascinating to hear their story. You can go to "Publications" for a link to sample copies of the magazine.

Thank you Alonzo for your time and effort in keeping us informed.

Last months program was no exception, We had a record turn out with over sixty in attendance. We thank Larry Stucki for his tireless efforts in contacting the Universities Institutes of Religion to offer the opportunity for scholarships for their students. As you read their essays, which I sent to you following our last meeting, and heard

their presentations, you cannot help but feel good about our future and the youth of today. You can understand why we gave scholarships to each one who participated. For you who were not able to come, four \$500.00 scholarships were awarded and four \$150.00 scholarships were awarded to the runner ups.

One of the fun presentations that evening was to our able historian, Ron DeWaal, who received a genuine Sherlock Holmes hat from England. While we were in England visiting the Sherlock Holmes Museum, we remembered the love Ron has for Sherlock and knew he would love it. We are glad his health has improved so he could be with us.

In addition to our chapter scholarship meeting, a report on our other scholarship meeting on May 18th at the Sheraton Hotel is in order.

John Morgan writes: We really had a spectacular Sons of Utah Pioneers Scholarship Banquet, and American Free Enterprise Project. I think we had some 240 Scholarships given to some 240 wonderful young scholars, .....I got to interview everyone of them, you know. And that was also a great pleasure. It was a thrill to see the excitement in their eyes to receive these scholarships. And it was really great to see the parents and family members join with the young scholars in a truly wonderful evening for all of them.

Our thanks and gratitude to John Morgan for his selfless service and generosity. He works all year long on this important project for our youth and the well being of SUP. We also thank David Smith for his tireless efforts, as he manages the finances for this worthwhile project.

We remind you of two additional important events:

1. Our chapter trek to Fort Bridger with Glenn Rawson as our tour guide. Date: Thursday August 1st. See Lavon Day or Chris Christensen for further information.
2. Our National Meeting is in Rexburg, ID. If you are interested in going on a bus, Tess at the National office needs to know this week, no later than June 1st. She can be reached at, 801 484-4441. If you have not registered yet for the National Meeting, we encourage you to do so. It can be done online through the web site: [sonsofuthahpioneers.org](http://sonsofuthahpioneers.org). You will find information regarding tours, hotels and accommodations and registration forms. The dates of the convention are August 22nd to the 24th.

One final reminder, we now have a website which makes getting information from national and a copy of the Trailmarker much easier. Try it you will like it!
