December 2015 - Newsletter

We wish you a very merry Christmas and a Happy New Year.

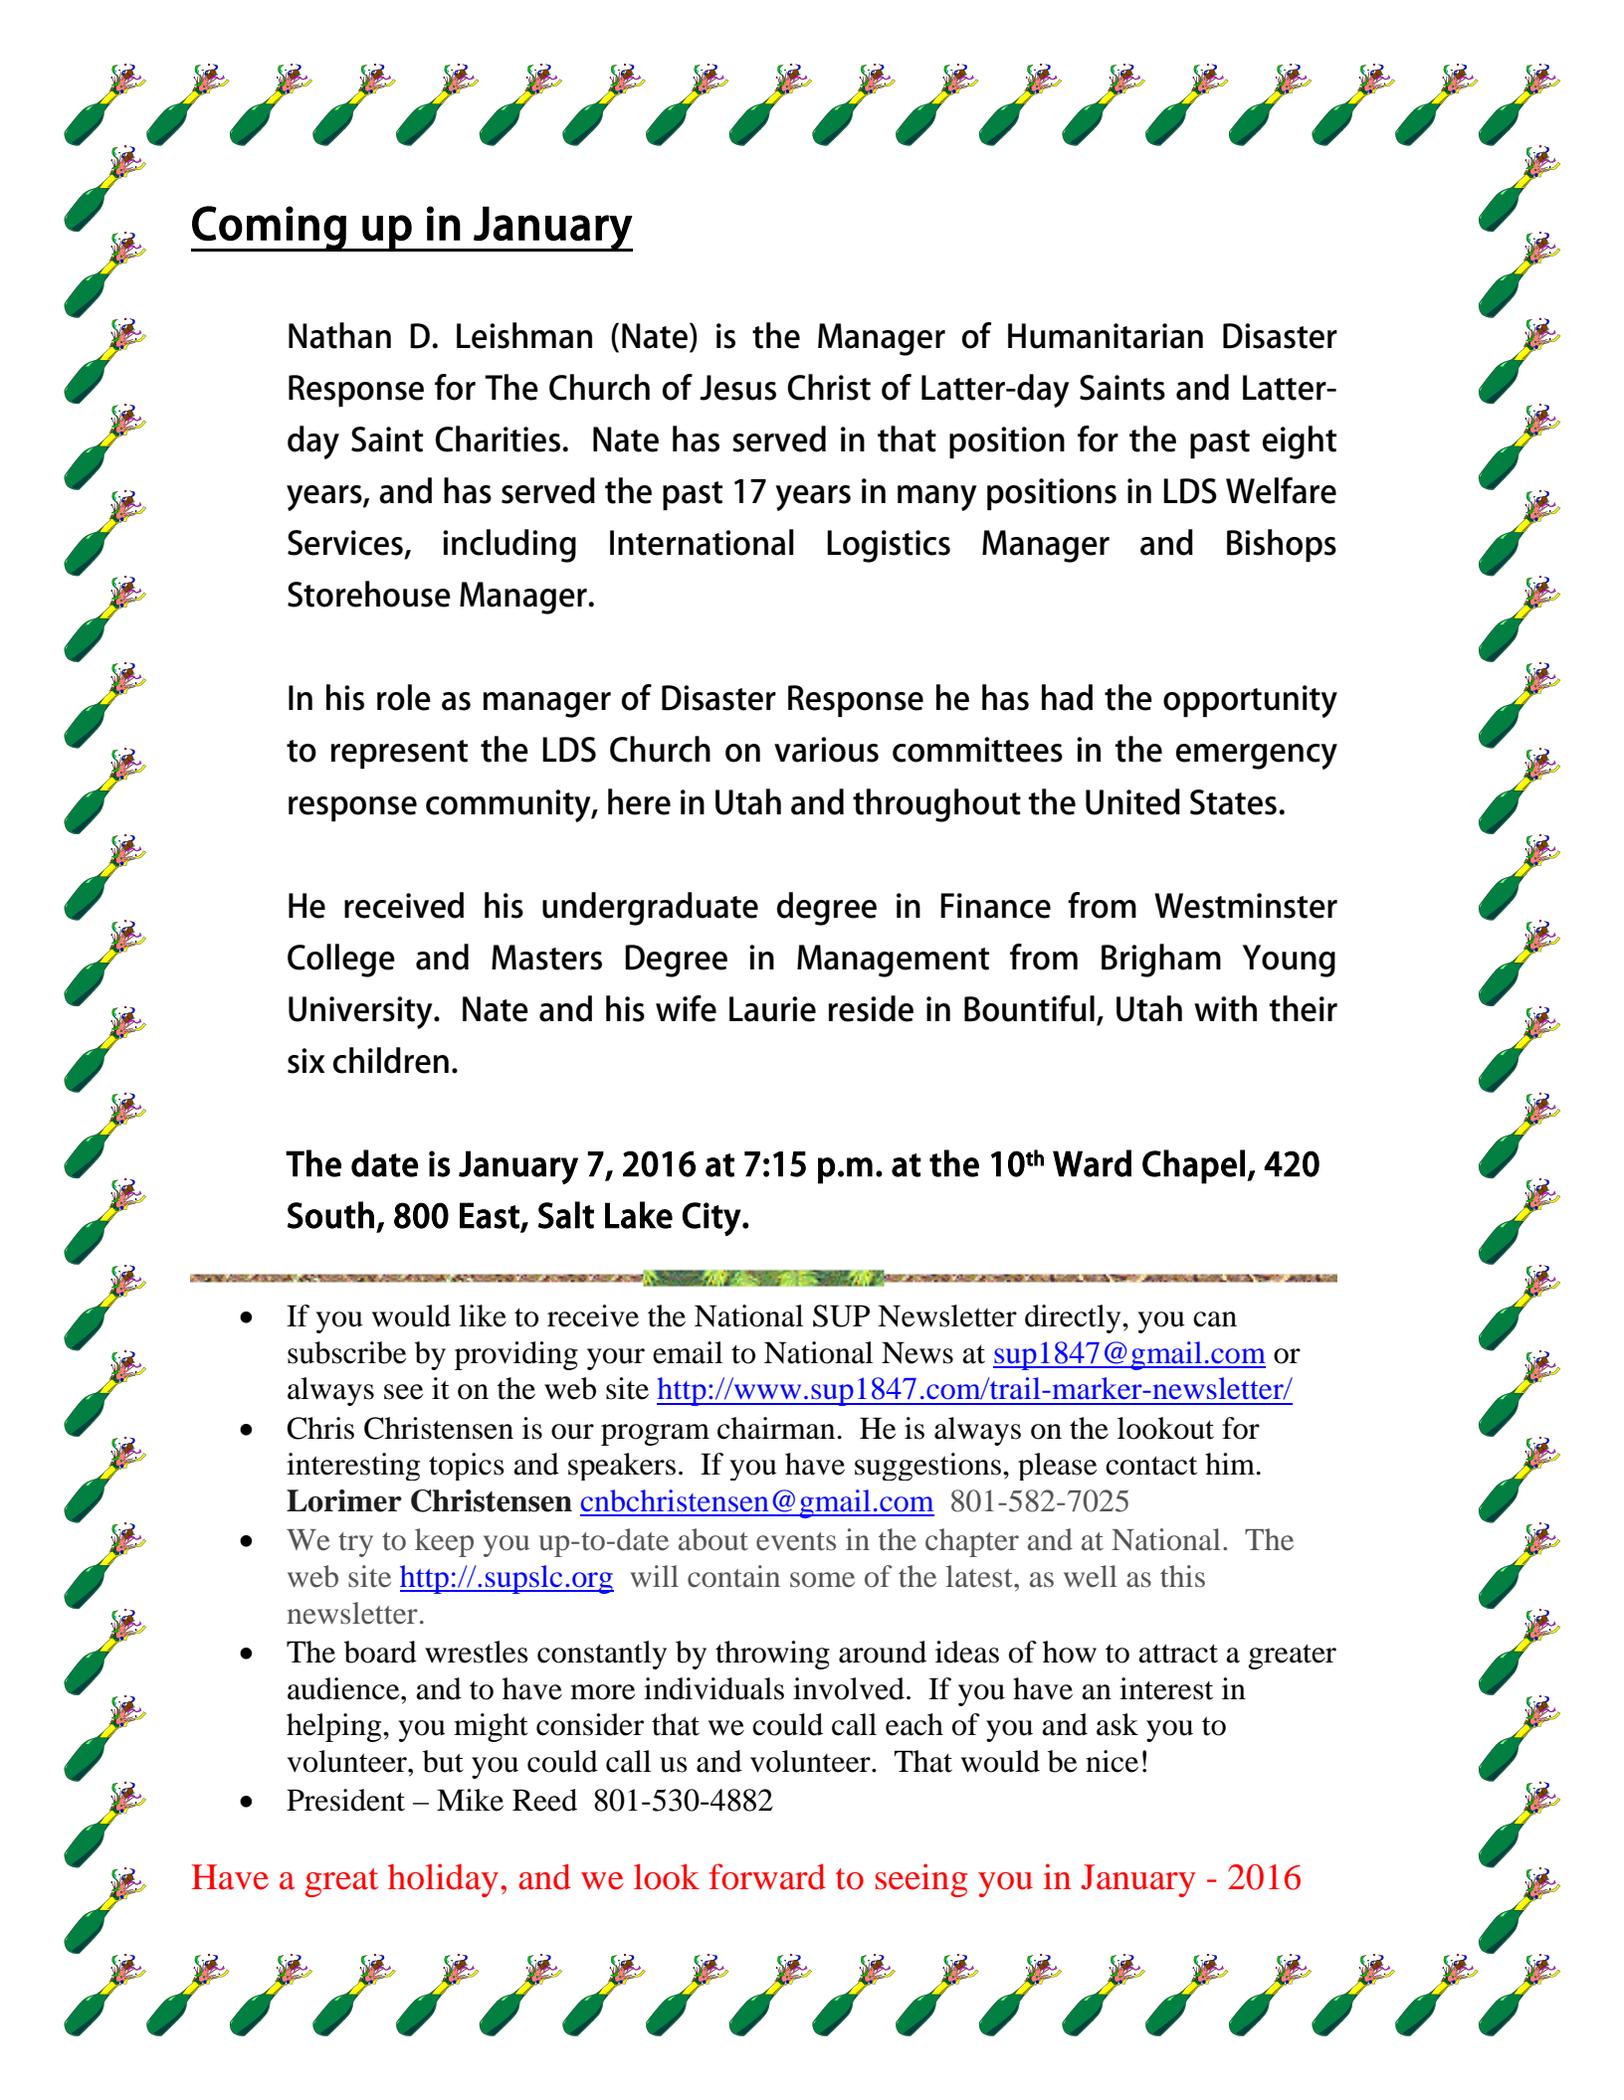

Our guests in December were the Taylorsville Institute Choir of the Church of Jesus Christ of Latter-day Saints. They were superb, under the direction of Marshall McDonald. There were 50 choir members performing to an audience of 100 with a Christ-centered program which was very entertaining, uplifting and edifying.

We thank David Smith for arranging their visit, and all those who provided a huge assortment of cookies which led to a mix and mingle of all who attended including the choir, which continued for a least an hour after the performance. It was mentioned that they can come again next year.

Coming up in January
