### **Next Chapter Meeting - Thursday, September 1, 2016 - Utah State Capitol**

This is a specially arranged tour of the Utah State Capitol, so we are altering our usual pattern of meeting at 7pm. We will meet inside the east Entry of the Capitol building (past the Lion statues) at 4 pm. Plan to be there a few minutes early.

There are pre-arranged tour guides for our group, who will take us through the building, pointing out unique features and providing information about some of the exhibited items.

At the conclusion of the tour, you are welcome to join those of our number who have decided to return to the Chuck-A-Rama for their evening meal.

### **August 4, 2016 - James C. Hurst, National President of Sons of Utah Pioneers**

The theme of his presentation, "What Would You Do?" wherein he described several pioneer stories of challenge, occasionally pausing to ask if confronted with that challenge, what would you do? The stories were compelling and caused us to marvel at the faith, endurance, and challenge those people faced in their quest to come with the saints to the west.

Such as a mother who left all her family in England, never to see them again. Those who dying on the plains said it is worth it, so their family could enjoy the gospel of Jesus Christ and be raised with the saints here in the west.

He emphasized that the pioneers showed, and we would do well in our time, the courage to face adversity, an unwavering commitment to a higher good, honoring the covenants made with God and promises to each other, sacrifice for the welfare of others, and the foresight to choose the promises of the future over the security of now.

Thank you Jim, for a great presentation.
